

## What is Advanced Ministry Training? ("The class every believer should take!")

This class will not only ground you in your identity in Christ, it will open the way for you to live through your identification with Christ. This is a personal transformation class that will cause the Scriptures, to not only come alive with meaning and truth and relevance and revelation, but also equip you to share the same truths with others one to one, through teaching, messages, and counseling.

### Unit One: Biblical Foundations of Grace

Signs and wonders (healing and freedom) follow the preaching of the Word of God. Through a verse by verse study of Romans 5-8, you will be grounded in your understanding of the gospel, which is Christ in you, the hope of glory. You will become equipped to share the entire Word of God to others according to their needs. It is the Word of God that does not come back void and covering it will do a new and transforming work in you!

### Unit Two: Your Journey to Grace

Ministry is not a matter of might (intellect or influence); it is the work of the Spirit. You will learn how to live in reliance on the Holy Spirit. Also, you will learn crucial skills and techniques that rely on the Spirit to bring revelation and transformation to others. What you learn will be personalized and the Spirit will open the eyes of your heart in renewing ways as well!

### Unit Three: Experience Grace

You will learn to identify a multitude of common hindrances to grace and be equipped to apply the Word by the Spirit to bring freedom and healing. For example, when someone is still struggling with anger after forgiving, this class will equip you to identify the true problem and lead others to lasting freedom. Through covering the truth for common hindrances to grace, the Word and the Spirit will establish you in His life and grace and you too will enter into His rest!

### Unit Four: Walking in Grace

This is the point in the class where the manifestation of grace results in experiential renewed. The gospel is now clearly and simply understood, you will know what you know, why you know it, and where to find it in the Scriptures. Through walking in grace yourself, you are enabled to start ministering to others. You will learn how to present yourself to God and present Life Center's Life and Cross visual diagrams that simply and powerfully lead others into healing and freedom and rest. As God breathes afresh on you, you will be enabled by His life!

### Unit Five: Grace for Life

Grace was not meant for a classroom! Grace is for your life! As we cover marriage, parenting, and spiritual warfare, the Spirit will reveal how to walk in grace in the most intimate and vulnerable relationships. Practical obedience to the leading of the Spirit results in new hope, renewed relationships, marriages established in true unity, receiving others as a gift from God, and bringing glory to God as you manifest His love and life in your homes and communities.

### Unit Six: Training Track Students

Three additional required classes to further equip and prepare you for ministry.

### Six Month Internship: (no charge)

After completing 80% of the requirements, you are able to intern two clients with indirect supervision.
