What is the ADVANCED MINISTRY TRAINING Program?

Advanced Ministry Training

The Advanced Ministry Training (AMT) class is for those seeking lasting confidence and a victorious Christian walk. AMT will get you off the try-harder treadmill so that you can rest and work from your identity in Christ. If self-help has worn you out, this class is for you. This class will not give formulas or more religious activity promising a breakthrough. AMT will show you how you are in Christ and how to live from His life to respond to fear, anxiety, depression, inadequacy, shame, setbacks, lack, and all relational issues. Exchange your negative self-talk and self-image for God's perspective of your worth and acceptance. You can join this class IN PERSON or VIRTUALLY. Both get 12-month access to the class recordings for makeup or to rewatch.

Level up and equip to minister to others. Our AMT Level Two discipleship training is powerful and effective because we make it easy to learn and reteach transformational truths in simple ways that are easy to implement in our lives and share with others. We may be able to provide internships for those who have completed all three levels.

"I am finally living a life I don't want to run away from." — Amy, AMT2021

LEVEL ONE: *Knowing Healing, Freedom, and Victory* \$250 or 5/\$50 payments (\$500 value)

UNIT ONE *Foundation of Healing* This verse-by-verse study of Romans 5-8 shows how "Christ in you is the hope of glory." We equip you to use your Bible to lead yourself or others to peace and contentment. You will know the most prominent reasons believers struggle and how to present real solutions to those confused about Christianity.

UNIT TWO *Path to Lasting Freedom* Since truth sets us free, we help you investigate the lies that bind you to exchange them for God's truth. We equip you with revelational knowledge, visuals, teaching aides, and resources to lead yourself and your friends and family to lasting healing

and freedom from anger, anxiety, depression, shame, hopelessness, confusion, unforgiveness, etc.

UNIT THREE *Lifelong Victory* Grace is the divine enablement to live from Christ's indwelling life. The river of God is always full, but we don't always know how to access living water. Instead of striving, we show you the path of faith that unlocks living the confident Christian life regardless of circumstances. Not only does this shut the enemy down, but you can also share the path to victory.

LEVEL TWO: *Sharing Healing, Freedom, and Victory* \$300 or 6/\$50 payments (\$500 value)

UNIT FOUR *Sharing Healing, Freedom, and Victory* Learn crucial ministry skills, prayer ministry skills, and empathy skills to minister effectively to abuse survivors, those struggling with addiction, self-harm, or considering suicide. Level Two includes training for marriage ministry and premarital marriage preparation too. Level Two students receive an ***Exchange Life Disciplex's Ministry Handbook (\$150 value)***, which is needed for AMT Level Three.

Level Two also includes **LIFETIME ACCESS TO OUR TRAINING TRACK PORTAL**, which has 17 dry-erase visual training videos, 14 hours of messages and a live history, and nine live meetings for viewing. We continually add resources and training videos.

LEVEL THREE: *Discipleship Coach Certification* \$480 or eight payments of \$60 due at each meeting

The AMT Level Three Discipleship Coach Certification includes eight personalized meetings with a certified and experienced discipleship coach. They coach you to gain mastery and confidence in sharing healing, freedom, and victory. You can start any time after completing AMT Levels One and Two. Are you considering opening your own office? Or online ministry services? Let us know. We can help with that.
