I am finally living a life I don't want to run away from. –Amy, AMT 2021

The instructor knows God and is literally being used as an instrument of truth. It is undeniable that my life will never be the same. The content is so thorough it is in some ways far superior to my three years of bible college. I grieve that I didn't receive this earlier. Every church leader needs this class. – Jeremy, AMT 2024

I signed up for Advanced Ministry Training class with my wife. I was looking to dive deeper into Christ centered ministry, hoping to learn and grow spiritually. WOW, I learned so much! My worth is not based on my performance. If you want to change a behavior or feeling, you must change your beliefs by walking by faith, not by sight. I try not to live FOR God anymore, because Christ wants me to live FROM Christ's life. – Chuck, AMT 2023

I took AMT because I knew I needed healing from the inside out. And that's exactly what I found. – Melissa, AMT 2022

I took AMT Level Two because I sensed a calling into ministry. After considering pursuing a counseling degree, I realized, the Exchanged Life message and approach is what I believe in, especially since God has used what I learned at Life Center so powerfully in my life. I learned to how to organize and have a strategic approach to presenting Christ as Life. Now I have tools and the Holy Spirit for discipling hurting people. AMT breathed new life into my ministry with the Teen Challenge men. —Michael AMT 2023
