Day Special!*

Whether you are looking for a change or a challenge to invest in your marital relationship, **Marriage Makeover Seminar** is for you. Think of your marriage as a fire. Remember when the fire was hard to contain? Like any fire, it must be fed and maintained to avoid smoldering smoke or burning out.

Marriage impacts every aspect and area and therefore the quality of your life. Investing in your marriage pays dividends into your life and legacy. This is very practical and powerful. Manalo said, "It is simple and easy to digest."
